

# ENDING HUMAN TRAFFICKING BEGINS WITH A HOME

LA community's home for victims of Human Trafficking

## San Fernando Valley (CA) Chapter of The Links, Incorporated International Trends and Services Facet Presents

### About ZOE International

ZOE International is committed to the safety, welfare, and protection of all children entrusted to our care. We do everything in our power to create a safe, nurturing environment for children and to prevent all forms of abuse by acting in the best interests of the children, opposing all forms of exploitation and abuse.

Prevention, Rescue & Restoration

Guest Expert  
Jason Plunkett, Psy.D.  
Western US Regional Director  
ZOE International

### About the Speaker

Dr. Jason Plunkett serves as the Western US Regional Director of ZOE International, a nonprofit that's mission is to end child trafficking. He has been counseling for 17 years, supporting families in the greater Los Angeles area. Dr. Plunkett has a MA in Psychology, Marriage and Family Therapy and his Psy.D. in Organizational Management and Consulting from Phillips Graduate University, making him one of our country's few trained "Organizational Psychologists."

*The Links, Incorporated is a premier African-American women's international service organization. The **San Fernando Valley (CA) Chapter** is committed to educating the community on the causes and efforts to prevent human trafficking. We have partnered with Zoe International to help bring awareness to our community around the issue of human trafficking. Through strong collaboration with partners, sponsors and supporters, The Links, Incorporated develops and implements transformational programming impacting lives in communities of color.*
